In the past 6 years Farmers & Mechanics Insurance of West Virginia has often looked to McKinney Speakers LLC for a speaker at our annual marketing meeting. We found them when we began to search for Carl Hurley to come and speak for us. They were able, on very short notice, to secure Carl to come and speak for us.

Two years later we once again began the search for a speaker and at a very late moment contacted Jim Rittenhouse and once again at the last minute was able to secure a great speaker for us.

Jim has been a joy to work with. Always pleasant, never critical, though we deserved criticism when we wait until the last minute, and has always delivered in spades. Jim has secured 4 speakers in six years for Farmers & Mechanics Insurance and we have NEVER been disappointed. I have no doubt we will be using McKinney Speakers LLC with the help of Jim Rittenhouse in the years to come. We thank them for their willingness to take on a last minute request and really appreciate the delivery.

Sincerely,

E. Dennis McCormick, CPCU
